Lesson 1: AI in Plain Words: Your First AI Assistant

Module 1 | 60 minutes | Chatbots, safely | Adults (18+) · ages 18–65

Name: Class: Date:

Practise what you learned today. Read each task carefully.

1. Key words

Match each word to what it means. Write the letter.

a. AI chatbot ___ A. A blank like [Client name] that you use instead of real private details.
b. prompt ___ B. When the AI makes something up and says it confidently, like a wrong date or a promise you never made.
c. hallucination ___ C. The message or instruction you type to the AI.
d. placeholder ___ D. A tool you type to (like ChatGPT, Claude, Gemini or Copilot) that writes a reply for you.

2. Prompt Lab: rough note to polite email

Arjun, an office executive, has this rough note: “client meeting moved Tue to Wed 3pm, venue same, bring last quarter numbers”. Write a prompt that asks the AI to turn it into an email. Say what to write, who it is for, the tone, the facts and the length. Write your prompt here, then try it in ChatGPT or Claude or Gemini or Microsoft Copilot.

3. Safe to paste into a personal AI account, or not?

Write each item in the right group: Safe to paste / Never paste (or replace with placeholders first).

a. A rough note: “meeting moved to Wednesday 3 pm” → _____
b. Your email password → _____
c. A customer’s Aadhaar number for KYC → _____
d. A public news article about a GST change → _____
e. A client’s balance sheet from the CA office → _____
f. A template letter that says [Client name] instead of the real name → _____
g. A photo of your PAN card → _____
h. The list of product categories in your shop → _____
i. Your colleagues’ salary details → _____

4. What is it really doing?

When you ask a chatbot a question, what is it actually doing? Circle one.

a. A. Searching Google and copying the top result
b. B. Predicting a likely, helpful reply, word by word, from patterns it learned
c. C. Looking up a book of checked facts
d. D. Passing your message to a human expert

5. The safe email routine

Put the safe way to use an AI draft in order. Number them 1–6.

a. ___ Edit it into your own voice
b. ___ Check every name, date, number and promise against your note
c. ___ Read the AI’s draft fully
d. ___ Write your prompt with the facts and the tone
e. ___ Replace private details with [placeholders]
f. ___ Put the real details back and send

How did it go? Colour a face: 😀 I can do it · 🙂 Nearly there · 🤔 I need help

☐ I can explain in plain words what an AI chatbot does.
☐ I can set up and use two free AI tools.
☐ I can follow the privacy rules and use placeholders.
☐ I can turn a rough note into a polite email and check it before sending.
