Lesson 5: Presentations and Visuals with AI

Module 2 | 60 minutes | Outline, slides, images | Adults (18+) · ages 18–65

Name: _____ Class: _____ Date: _____

Practise what you learned today. Read each task carefully.

1. Key words

Match each word to what it means. Write the letter.

a. outline ___ A. A description you type to get an AI-made picture: subject, style, colours, size.
b. speaker notes ___ B. Your fixed colours, fonts and logo used on everything.
c. brand kit ___ C. What you will say for each slide, written under it.
d. image prompt ___ D. The plan of a talk: slide titles and main points, before any design.

2. Prompt Lab: a 6-slide outline

Write a prompt to get a slide outline for a talk at your work. Include who the AI should be, the number of slides, the audience, what each slide should contain, and how long the talk is. Write your prompt here, then try it in ChatGPT or Claude or Gemini or Canva.

3. Prompt Lab: a poster image

Write an image prompt for a social media post for your work (a sale, an event, an admission notice). Describe the subject, the style, the colours, ask for no text in the image, and give the shape or size. Write your prompt here, then try it in Gemini or Microsoft Copilot or ChatGPT or Canva.

4. Okay to post for your business, or not?

Write each item in the right group: Fine to use / Not okay.

a. An AI-made Diwali background for your sale post, labelled “Image made with AI” → _____
b. An AI image of a famous cricketer holding your product → _____
c. An AI “photo” of a dish that looks much better than what you actually serve → _____
d. Slides with an AI-written outline that you checked and edited → _____
e. A made-up “customer review” image to put on your page → _____
f. An AI icon of a delivery van for your “Free delivery” slide → _____

5. From idea to deck

Put the steps for making the deck in order. Number them 1–6.

a. ___ Add images and label AI-made ones
b. ___ Apply brand colours, fonts and logo
c. ___ Build slides in Canva, PowerPoint or Google Slides
d. ___ Check facts and fix the order
e. ___ Ask AI for a 6-slide outline
f. ___ Rehearse using the speaker notes

How did it go? Colour a face: 😀 I can do it · 🙂 Nearly there · 🤔 I need help

☐ I can get a slide outline with titles, points and speaker notes from AI.
☐ I can build a 6-slide deck in Canva, PowerPoint or Google Slides.
☐ I can write an image prompt and add text myself.
☐ I can keep slides on-brand and label AI images honestly.
