Lesson 5: AI for Data

Module 2 | 60 minutes | Survey · Summarise · Chart · Check | Grades 7–11 · ages 12–16

Name: _____ Class: _____ Date: _____

Practise what you learned today. Read each task carefully.

1. Key words

Match each word to what it means. Write the letter.

a. survey ___ A. A part out of 100: count ÷ total × 100.
b. anonymous ___ B. A spreadsheet formula that counts cells matching a rule.
c. COUNTIF ___ C. Without names, so nobody can be identified.
d. percentage ___ D. Asking many people the same question to collect data.

2. Prompt Lab: summarise my survey

Write a prompt asking an AI to summarise your survey. Paste only the counts (use the sports data), ask for the percentage of each choice with the working shown, ask for three findings, and ask which chart type fits best. Say that the data is anonymous. Write your prompt here, then try it in Kitabash AI helper or ChatGPT or Gemini or Copilot.

3. Which chart fits best?

Write each item in the right group: Bar chart / Pie chart / Line chart.

a. Comparing favourite sports in the class → _____
b. How our ₹500 Diwali budget was split into parts → _____
c. Rainfall in each month of the monsoon → _____
d. Number of books read by each house team → _____
e. What share of the class walks, cycles or takes the bus → _____
f. A plant's height measured every week → _____

4. Check the maths

In a class of 20, 5 students chose badminton. The percentage is 5 ÷ _____ × 100 = _____%. If the AI says 20%, it is _____.

5. Survey to report

Put the survey-to-report steps in order. Number them 1–6.

a. ___ Check every number yourself
b. ___ Ask AI to summarise the counts
c. ___ Count them in a spreadsheet
d. ___ Collect the answers
e. ___ Write one clear, anonymous question
f. ___ Make a labelled chart and write the report

How did it go? Colour a face: 😀 I can do it · 🙂 Nearly there · 🤔 I need help

☐ I can make a fair, anonymous survey.
☐ I can count results in a spreadsheet.
☐ I can ask an AI to summarise counts and check every number.
☐ I can choose and label the right chart.
