Plan it

Sketch your stage and write what each sprite will do.

How it will be marked

Criterion	1 · Beginning	2 · Developing	3 · Secure	4 · Excellent
Loops	No working loops	One loop works	Forever loops for dance, beat and lights	Loops combined cleverly (different speeds, repeat inside forever)
Animation	Sprites don't animate	One dancer animates	All dancers animate smoothly with waits	Animations are varied and well-timed to the beat
Events	Only the green flag	A click does something	Each dancer has a click show-stopper	Uses flag, click and key events together
Creativity	Copies the example	Some own ideas	Own style for dancers, beat and lights	Surprising, polished party
Testing & reflection	Not tested	Tested a little	Tested by a friend; reflection explains a change	Fixed several issues; reflection explains learning

Want more?
