LESSON PLAN · SCRATCH JUNIOR (K–2) INTERMEDIATE: STORY MAKERS

Lesson 4: Hop, Hop, Hooray!

Module 2 | 30 minutes | Motion and loops | KG–Grade 2 · ages 5–7

Objective: Use the hop block and repeat to make characters bounce and celebrate.

Success criteria

- I can use the hop block.
- I can repeat hops.
- I can mix moving and hopping.

Key vocabulary

- **hop**: Jump up and come down.
- **repeat**: Do it again.
- **celebrate**: Show you are happy.

You will need

- Projector with Kitabash (lesson video, Code Lab)
- Devices: 1 per learner or pair
- Printed worksheet (optional)

Timed lesson plan (30 min)

Time	Stage	What happens
5 min	**Warm-up (unplugged)**	Hop count (5 min): children hop the number shown on a card.
5 min	**Watch**	Play the lesson video with captions; pause at each heading and ask a question.
8 min	**Build along**	A happy hop: learners follow the steps.
5 min	**Perform**	Hooray hop, Where does it land?
3 min	**Probe**	Hop along, Human repeat
4 min	**Wrap-up**	Exit ticket: Show me how to hop 3 times with one loop.

Unplugged warm-up

Hop count (5 min): children hop the number shown on a card.

Teaching the idea

The hop block is a self-contained motion (up and down). Combining hop with repeat reinforces loops; combining with moves builds patterns.

Analogy: A ball bouncing on the spot.

Live demo: Hop 3 times with three blocks, then with repeat 3.

Questions to ask

Ask	Listen for
Where does the character land?	Where it started.
How do you hop 5 times?	Repeat 5.
What goes inside the repeat?	Hop (and maybe a step).

Differentiation

Support
Count hops aloud while the program runs.

Stretch
Hop up a staircase: right, up, hop.

Common misconceptions

Misconception	How to fix it
Hop moves forward	It lands in the same place.

Assessment

Use the Code Lab results (auto-checked), the quick checks and the Probe answers. Written answers arrive in your review queue.

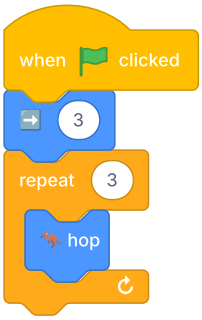

Exit ticket
Show me how to hop 3 times with one loop.

Homework
Teach someone a “repeat 3 hop” dance.

Answer key — Kitabash activities

1. Hooray hop (perform · block code)

One solution:

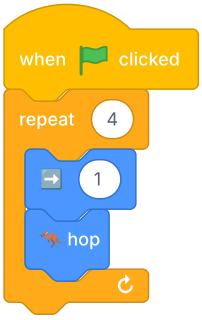

2. Where does it land? (perform · multiple choice)

Answer: In the same place

3. Hop along (probe · block code)

One solution:

4. Human repeat (probe · speaking)

Answer key — worksheet

1. **Key words:** hop = Jump up and come down. · repeat = Do it again. · celebrate = Show you are happy.
2. **Where does it land?:** A. In the same place — Hop goes up and comes back down.
3. **Count the hops:** 4; 2

Kitabash original curriculum.
