COURSE GUIDE & SYLLABUS · GRADES 3–6 · AGES 8–11

Spoken English (Gr 3–5) Beginner: Confident English · Level 1

Speak up, speak clearly, and give your very first speech — one fun class at a time.

A lively first spoken-English and public-speaking course for ages 8–11. Every 45-minute class ends with the child speaking something they prepared: a 30-second self-introduction, a partner interview, a five-sentence picture talk, a one-minute show and tell, a tongue-twister challenge and paragraph read-aloud, a real-life role play, a story retelling and, finally, a 1–2 minute speech. Learners master greetings and polite phrases, question words, describing words, clear pronunciation of tricky sounds (v and w, th, -ed endings), polite requests, sequencing and simple past tense. Each lesson has a short video with model dialogues, games (match, sort, order, fill the gaps, quizzes), speaking practice with a self-check list, a practice sheet with sentence frames and a word bank, and a teacher script.

What learners will be able to do

- Greet people and give a clear 30-second self-introduction using polite phrases
- Ask and answer questions with what, where, when, who, why and how, and add follow-up questions
- Describe pictures, people and places with describing words and place words
- Plan and give a one-minute show-and-tell talk with an opening, three details and a closing
- Say tricky sounds clearly (v and w, th, -ed endings) and use pauses and stress when reading aloud
- Use polite requests in real situations: restaurants, shops, phone calls and asking for help
- Retell a story with a beginning, middle and end, sequencing words and simple past tense
- Plan, practise and deliver a 1–2 minute speech, and give kind, specific feedback

What you need

- Laptop, tablet or phone with a camera and microphone for live class
- The Kitabash speaking activities in each lesson (listen to the model, optional recording that stays on the device)
- A printed or on-screen practice sheet for each lesson (sentence frames and word bank)
- A mirror or front camera for pronunciation practice (Lesson 5)
- A favourite object for show and tell (Lesson 4), chosen with a grown-up

Before you start

- Can read simple English sentences
- Understands basic everyday English (no speaking experience needed)

Safety and privacy

Learners share only their first name, class and likes — never surnames, home addresses, phone numbers, school names or passwords, in class or in recordings. Speaking recordings are optional and stay on the learner's own device; they are never uploaded. If a family member is the topic of a speech, use "my grandmother" or "my uncle", not full names. Role plays teach asking a trusted grown-up (a parent, teacher, police officer or staff at a counter) for help, and never giving personal details on the phone to someone you do not know. Show-and-tell objects are chosen with a grown-up: nothing valuable or fragile.
